Community Leader Check-in

Hello Two Rock Families!

We are very excited to welcome everyone back for the 2021/2022 club year. We have lots of new families joining us which is very exciting!

Our Enrollment & Welcome Drive-in is coming up on Monday, September 13 at 6:30pm followed immediately by our September club meeting at 7:00pm. While we can't quite meet indoors just yet with the size of our club we will be keeping things in a drive-in style. The officer team will be selling pizza and bottled water from 6:30-7:00pm. Please park your vehicle then make your way to the enrollment table to

turn in your medical forms and Chickenque check, make a stop and sign-up to chair one of our many committees then head to grab a slice of pizza before you head back to your vehicle. Remember to wear your mask when not in your vehicle.

The officer team has been working on planning out a great year ahead and they are excited to share with the club the events they have planned!

If there are any questions about the enrollment process or the upcoming meeting please reach out!

See you all Monday, September 13th at 6:30pm at Two Rock School.

A Message from Your Club President

Hello Two Rock 4H Families!!

My name is Tammy Kelley, this is my 6th year in 4h and I'm going to be your 2021~2022 club president. I'm so excited that we are back in person and I can't wait for this upcoming year. The officers and I have been working really hard on planning these upcoming club meetings and events that our club is going to be participating in. Our first in person club meeting will be on Monday September 13th at Two Rock school in the parking lot. Thank you and I can't wait to see all of you at our first meeting of the year!

Club Reporter Article

Hi Two Rock 4Hers!

This marks the start of our new 4H year! With the new year it comes with choosing projects, and choosing which committees to get involved in, or what fundraisers to participate in. For new members, it may seem like a daunting task to figure out which committee is best for you, so I'm here to help. Some examples of committees

For new members, bake sales are easy ways to start off volunteering in 4H. Chairing most types of bake sales are relatively easy, with the right amount of work for the member and the parent. The Larsen Tree Farm Bakesale and the Petaluma Pumpkin Patch bakesale are great starters. For members who have more experience in the club, I would recommend going for any of the donation centered committees. Such as the Christmas Toys for Tots, the ornament drive, and the can good drive. For more seasoned members, committees such as Butter and Eggs day, Chickenque, Club achievement night, and the troop care package committees. Those committees require more attention to detail, and a previous knowledge of how the committees are supposed to be run effectively.

If there's an event you don't feel comfortable chairing but really want to be a part of, then sign up and participate! Every committee will need club (member/parent) participation, so always feel welcome to sign up. If you are interested in signing up please contact colin our vice president, as

he is the officer responsible for managing the committees

I look forward to seeing all of you at the first club meeting!
